Item	Unit	Unit price excluding VAT
Performances of people		
Commander of the JPO emergency group, member of the JPO	throw.	980,00
Work of an independent researcher, member of the JPO	throw.	850,00
The work of a specialist - hydrogeologist, chemist, surveyor	throw.	750,00
Work of an emergency technical specialist (technician, member of the JPO)	throw.	750,00
Technician job	throw.	550,00
Extra pay for working in a light chemical protective suit with a filter mask	throw.	450,00
Surcharge for working in self-contained breathing apparatus (SCBA)	throw.	3 800,00
Surcharge for work in a pressurized chemical suit, incl. IDP	throw.	6 200,00
Documentation of renovation works	throw.	980,00
Surcharge working days 6:00 p.m.-5:00 a.m., holidays	throw.	25%
Sampling work		
Soil sampling (material provision including decontamination)	pcs	250,00
Sampling of bottom sediments (material provision including decontamination)	pcs	650,00
Groundwater sampling (dynamic sampling) - depth up to 50 meters (material provision including decontamination)	pcs	2 300,00
Groundwater sampling (static sampling) (material provision including decontamination)	pcs	530,00
Sampling of building structures (material provision including decontamination)	pcs	600,00
Surface water sampling (material provision including decontamination)	pcs	430,00
Sampling of wastewater, emulsions (including possible decontamination)	pcs	750,00
Hazardous waste sampling (material provision including decontamination)	pcs	1 200,00
Field measurements		
Determination of pH in water	pcs	150,00
Determination of conductivity in water	pcs	150,00
Determination of dissolved oxygen in water	pcs	150,00
Atmogeochimistry - PID + IRD	pcs	400,00
Explosiveness measurement, H ₂ S, O ₂ , CO, PID	throw.	680,00
Identification of an unknown substance by Raman spectrometer	pcs	4 500,00
3D scanning of the excavation pit	pcs	21 000,00
Datalogger - level measurement	day	750,00
Laser distance measurement	throw	100,00
GSM camera system/camera trap	day	550,00
RL phase measurement	pcs	850,00
Laboratory analyses		
Determination of NEL in soils	pcs	600,00
Determination of NEL in waters	pcs	550,00
Determination of BTEX in soils	pcs	1 600,00
Determination of BTEX in water	pcs	1 600,00
Determination of MTBE in soils	pcs	1 600,00
Determination of MTBE in water	pcs	1 600,00
Determination of C10-C40 in waters	pcs	800,00
Determination of C10-C40 in soils	pcs	900,00
Soil leachate, class III - dry matter, heavy metals	pcs	4 920,00
Qualitative analysis of soils, waters (RU)	pcs	1 650,00
Qualitative waste analysis (identification of unknown substance)	pcs	8 500,00
Microbiological analysis	pcs	550,00
Express surcharge	pcs	100%
Drilling work		
Construction of a monitoring well (min. rig diameter 200 mm)	bm	3 500,00
HDPE equipment up to 200 mm	bm	1 400,00
Perforation	bm	900,00
Sprinkle with 3-6 mm gravel	bm	900,00
Sealing the equipment with clay cement 1:3	bm	250,00
Steel formwork - installation	bm	1 350,00
Steel formwork - dismantling	bm	1 350,00
Fe borehole head 133 mm + lockable cap	pcs	3 000,00
Plastic wellhead	pcs	500,00
Borehole protection - concrete ring 1100 mm	pcs	2 550,00

Steel borehole marking, height 2000 mm	pcs	850,00
Technical documentation of the well	pcs	2 000,00
Well cleaning	well	5 400,00
Push-in probes - vibrating belt set	bm	2 100,00
Push-in probes - vibrating hand set	bm	950,00
HDPE equipment up to 80 mm	bm	450,00
Borehole tamponade	bm	450,00
Well cleaning (airlift)	well	4 800,00
Technique		
Sludge pump up to 15 l/s	day	1 000,00
Submersible well pump up to 0.6 l/s	day	350,00
Submersible well pump up to 3 l/s	day	500,00
High-pressure cleaning equipment including fuel	throw	4 200,00
Gravity separator	day	550,00
Gravity storage tank over 10m3	day	850,00
Stripping tower 2 l/sec.	day	1 000,00
Venting unit - fan	day	500,00
Air sorption filter (for 200 kg activated carbon filling)	day	250,00
Compressor/blower	day	200,00
Generator up to 4 kW	day	4 500,00
Generator up to 10 kW	day	5 500,00
Generator 10 kW - 20kW	day	9 800,00
Generator up to over 20 kW	day	12 500,00
Lighting tower 4 x 1000W	day	4 000,00
Chain container tub	day	400,00
Hook container with door	day	400,00
Workplace environment - file	day	12 500,00
ADR chemical container	day	690,00
Vibrating roller	throw	950,00
Vibrating plate	throw	750,00
Vibratory hand rammer	throw	650,00
Wood chipper	throw	850,00
Mechanical demolition hammer	throw	2 500,00
Self-collecting sweeping module (attached to a loader or excavator)	throw	1 500,00
Hydraulic crane	throw	1 500,00
Drum chemical pump	throw.	1 200,00
EX barrel pump	throw.	1 200,00
Chemically resistant suction hose, 3m section	day	2 000,00
Petrol slurry pump up to 25 l/s	day	6 500,00
Peristaltic pump standard gasoline	day	4 550,00
Peristaltic pump electric EX	throw.	6 800,00
Peristaltic pump electric EX - reconditioned after use for aggressive liquids+A43	and	20 000,00
Skimmer	day	2 500,00
Gasoline fan	day	2 400,00
EX fan	day	4 200,00
Decontamination shower	day	2 000,00
Decontamination container	day	4 000,00
Motor rescue boat including fuel	day	5 000,00
Rescue boat without engine	day	2 500,00
Lightweight rescue boat without motor, two-seater, inflatable	day	1 500,00
Lightweight diving wall with telescopic poles, segment 5.5 m up to 10 days	and	8 000,00
Lightweight diving wall with telescopic poles, segment 5.5 m over 10 days	and	10 000,00
Sealing bags up to 300 mm diameter	day	400,00
Sealing bags from 300 mm diameter	day	1 250,00
Hand tools 1 pc (chainsaw, brush cutter, demolition hammer, drill, hand circular saw, etc.)	throw.	250,00
Vacuum cleaner for vacuuming hazardous dust	day	2 750,00
Radio stations 2 pcs	day	400,00
EX radio station 2 pcs	day	1 000,00
Hand-held motor blower	day	350,00
Material		
Delivery of inert for regular backfilling	t	650,00
Delivery of inert for special backfilling	t	900,00
Delivery of topsoil-type inert (humus horizon)	t	1 100,00
Biopreparation DEKONTAM (biodegradation technology)	m ³	7 500,00
Construction and technical materials - according to the supplier's price list		
Sorption agents, filter materials, disposable PPE and other disposable materials - according to the supplier's price list		

Transport		
Transport of people and samples	kilometers	17,00
Delivery transport up to 1 t	kilometers	21,00
Delivery transport up to 3.5 t	kilometers	24,00
Emergency vehicle departure up to 5t	kilometers	35,00
Emergency vehicle departure up to 12 t	kilometers	49,00
ADR suction tanker transport	kilometers	70,00
Transport of suction dredger ADR	kilometers	74,00
Fire truck CAS 32	kilometers	70,00
Transport crane	kilometers	55,00
Freight transport up to 8 tons	kilometers	42,00
Freight transport up to 14 tons	kilometers	60,00
Freight transport up to 25t	kilometers	65,00
Freight transport over 25 tons	kilometers	70,00
Freight, special, container transport	kilometers	52,00
Transport of bulky cargo on a low-loader	kilometers	74,00
Mining, loading, backfilling, compaction, product pumping		
Manual earthmoving	t	1 600,00
Crawler excavator up to 14 t	throw	1 700,00
Crawler/wheel excavator 14-20 t	throw	2 800,00
Crawler/wheeled excavator over 20 t	throw	5 400,00
Microloader	throw	1 200,00
Loader up to 3 t	throw	1 500,00
Loader up to 10 t	throw	1 800,00
Loader over 10 t	throw	2 800,00
Dumper up to 1 t	throw	500,00
Dumper up to 5 tons	throw	750,00
Dumper over 5 t	throw	1 500,00
ADR FL suction tanker work (e.g. flammables)	throw	6 000,00
ADR AT suction tanker operation (e.g. contaminated water)	throw.	4 200,00
Truck operation at the location (waiting, loading, handling, on-site transportation)	throw.	4 500,00
Assistance of emergency vehicles up to 12 tons	throw	1 500,00
Crane work over 20 t	throw	3 000,00
Waste disposal and recycling		
Disposal of common chemicals at the NO incinerator (possibly depending on the price of the end device)	t	22 000,00
Disposal of selected chemicals at the NO incinerator (possibly according to the price of the end device)	t	36 000,00
Reception of regular small-volume NO and final disposal	t	18 000,00
Biodegradation of contaminated soils up to 10,000 mg/kg dry matter.	t	2 100,00
Biodegradation of contaminated soils up to 30,000 mg/kg dry matter.	t	3 100,00
Surcharge for the exclusion of hazardous properties after biodegradation for quantities up to 50 t	t	2 000,00
Surcharge for the exclusion of hazardous properties after biodegradation for quantities up to 100 t	t	1 000,00
Surcharge for the exclusion of hazardous properties after biodegradation for quantities up to 200 t	t	500,00
Surcharge for the exclusion of hazardous properties after biodegradation for quantities up to 400 t (no surcharge above 400 t)	t	250,00
Hazardous waste landfilling including statutory fees	t	7 500,00
Landfill NO - statutory fees (in accordance with legislation)	t	2 000,00
Landfilling of waste "O" including statutory fees	t	2 500,00
Removal of water contaminated with petroleum substances - according to the supplier's price list	t	
Removal of oil emulsion - according to the supplier's price list	t	
Removal of the free phase of petroleum products mixed with water - according to the supplier's price list	t	
Temporary storage of NO	kg/day	1,50
Removal of sludge and sand category N - according to the supplier's price list	t	
Other		
Initiating an emergency exit	and	5 000,00
Operation of the sanitation facility - pumping crew	day	4 800,00
Site security	day	4 500,00
Truck weighing	pcs	250,00
Fire assistance (1+5), CAS-32, explosiveness measurement	throw.	4 900,00
Fire assistance (1+3), CAS-32, explosiveness measurement	throw.	3 900,00
Fire assistance (1+2), CAS-32, explosiveness measurement	throw.	3 200,00
Fire patrol (1+1), PHP, explosiveness measurement	throw.	2 500,00

Important notice: This price list sets out **basic prices for services provided within the framework of emergency interventions** and is valid for all services performed after 1 August 2025. The provider reserves the right to change this price list at any time. A change to the price list is effective upon posting on the provider's website, unless the provider specifies otherwise. The price list serves as **offer to conclude a contract** pursuant to Section 1731 et seq. of Act No. 89/2012 Coll., Civil Code (hereinafter referred to as the "Civil Code") of the Civil Code. The prices stated are final, **unless explicitly stated otherwise**, and include the usual costs associated with the implementation of the intervention. In the event of special circumstances (e.g. intervention outside normal working hours, difficult access, risky environment, etc.), the provider reserves the right to propose a different price. The provisions of this price list are **part of the contractual arrangement** between the customer and the service provider, **unless otherwise agreed** and forms the basis for invoicing pursuant to Section 2586 et seq. of the Civil Code on contracts for work, even if a contract for work is not formally concluded. **The price list is binding**, if between the provider and the customer **an individual price agreement was not negotiated**. Prices are quoted excluding value added tax, which will be charged at the rate set by applicable law. In the event of late payment, a contractual penalty of 0.05% of the amount due will be charged for each day of delay. For questions regarding prices or specifications of the intervention, please contact us.
